## *Fallen Oak*

Designed by legendary course architect, Tom Fazio, exclusively for guests of Beau Rivage Resort & Casino, Fallen Oak raises the bar for luxury resort golf in this region. The 18-hole, par-72 championship layout unfolds in a majestic, almost cinematic, invitation to all who love the game.

It's a challenge few can – or should – resist. This is 510 acres of pure heaven... or hell, depending on how your scorebook looks that day. Be among the first to test its hype. Titanium is optional. Nerves of steel are not. Whether you are a seasoned golfer or one who simply relishes the opportunity to test your skill and temperament in a naturally serene environment, Fallen Oak deserves a spot on your personal must-play list. Challenging – yet offering remarkable playability for golfers of varying skill levels and hailed by Golfweek as Mississippi's No. 1 course and a 2018 Best Course You Can Play; Fallen Oak has taken its place among the nation's finest. The course maintains somewhat of an air of mystery and only a select few have actually experienced its unique charms. Play the course worthy of the pros. Golf packages available.

Group rates depend upon number of golfers and tee times. Once number of golfers is finalized, please contact the catering manager for rates. Average pricing is \$175 - \$200 per person.
